Re: Docket No. 2020-275-S. Application of Condor Environmental, Incorporated
Requesting an Expansion of Its Existing Sewer Service Area to Include Certain Portions
of Anderson County and Saluda County and Approval of Agreement (Request for
Expedited Review)

Dear Ms. Boyd:

On January 8, 2021, the intervenors American Land holdings, LLC, ("ALH") Palmetto
Pointe Development Company, LLC and Palmetto Pointe Community Association informed the
Commission they have terminated their contract with Condor Environmental, Inc. ("Condor") to
provide wastewater service to the Palmetto Pointe subdivision in Saluda County.

Condor will soon move to amend its petition to withdraw its request to serve Palmetto
Pointe. These filings will render moot Condor's Motion to Strike Saluda County Water and Sewer
Authority ("SCWSA")'s Response to the Motion to Reconsider and Reply to Condor's Motion to
Stay Deadlines of December 22, 2020. Therefore, Condor submits that the oral argument
scheduled on this motion on January 20, 2021 is no longer necessary.

The other pending matter in the docket is Condor's Petition to Terminate or Limit the Scope
of Inspection, Audit, or Examination filed December 18, 2020. Condor requests permission to
withdraw this petition without prejudice so it may attempt to resolve its differences regarding
discovery with the Office of Regulatory Staff. If the Commission grants Condor's request, there
would be no matters for the parties to argue on January 20th.

I look forward to hearing whether the Commission still desires oral arguments.

With best wishes, I am,

Sincerely yours,

s/ Charlie Terreni
